10 Reasons why you should be a member of MWT Cymru

1

We attract visitors to Wales and to your business

The tourism sector in Wales annually hosts 10 million overnight stays and 89 million day visitors. By joining MWT Cymru, you support the destination marketing activity we undertake to promote the regions of Mid, South and West Wales: Online, Mobile, Apps, Press and PR, Social Media and Print.

2

We support the tourism industry

MWT Cymru is committed to delivering activities which support the growth and development of a strong and sustainable tourism industry in Wales. As a member, we will provide you with all the marketing tools, advice and support you need to help get more visitors through your doors.

3

Our websites and Apps lead the way

MWT Cymru run www.visitmidwales.co.uk (commission FREE) and www.showmewales.co.uk which generate in excess of £174,000 worth of bookings every year for our accommodation members. Last year our websites received over 765,000 unique visitors. They are currently being developed with significant investment to be fully responsive to all devices. MWT Cymru developed Wales' only complete Wales wide tourism app – Show Me Wales, which has been downloaded over 26,000 times and counting.

4

Update everything all in one go, when it suits you

Our systems are fully integrated. You'll have your own access to GuestLink, the UK's leading property management system, so there's no need to update multiple websites with your business or event details. Update everything all in one go: the Visit Wales website, our destination websites and app, your own business website, and partner websites including Booking.com; saving you valuable time and energy.

*N.B. If you already use a different availability and booking system you can still join membership and be on our websites; there are a number of other systems that we work with. **Please get in touch.***

5

Raise your profile in more places, exclusively with us

Our accommodation, attraction and event widgets can feed your business or event information across to any website that has the widget installed (over 85 so far). For example, an accommodation provider might 'plug-in' attractions or events to show visitors what's going on in their area. Or an attraction or event organiser might have an accommodation widget to encourage overnight stays.

6

Be part of highly successful marketing campaigns

MWT Cymru is at the forefront of delivering innovative marketing campaigns, whether it's our popular Bedroom Browser, the development of our Wales Trails and Show Me Wales Apps, the Fairbooking Wales initiative, or the work we're doing on the Mid Wales Media Hub project. Becoming a member will open up a whole host of opportunities to get involved and promote your business, area or event.

7

Be included in social media and Press and PR activity

We are successful in generating local, regional and national press coverage for the destination and for our members. Send us your press releases, quirky stories and news so that we can push them out to our media contacts. Members may also have an opportunity to host press trips and benefit from the invaluable press coverage these generate. Like us on Facebook and follow us on Twitter so we can help raise your profile to our followers.

8

Save money with discounts and savings on a range of services

Members can access a whole host of preferential rates, including discounts on processing credit and debit cards, web design, as well as a FREE attractions pass which gives you free or discounted entry to over 100 leading attractions throughout Wales.

9

Stay in the Loop

Receive regular member e-newsletters with updates and useful info – whether its latest grants, opportunities to get involved with our latest marketing projects, dates for your diary, or topics and issues affecting Wales' tourism industry. Hear from expert guest speakers at our tourism industry conference and come along to our AGM and network with other members.

10

We're the good guys!

We are not a commercial marketing company who will take your money and not care if your marketing works or not. MWT Cymru is a social enterprise (Not for Profit Organisation - Limited by Guarantee). For 25 years and counting, our committed team has been working hard to represent, support and promote your interests.

Whilst we work closely with Visit Wales we do not receive centralised funding from them or the Welsh Assembly Government to support our core activities. All profits are re-invested into our key objectives. Find out more at www.mwtcymru.co.uk

The work we undertake to support the tourism business sector is paid for by MWT members - You own MWT!

Last but not least, an extra reason for self-catering properties...

Freedom and Flexibility

If you are signed up with a marketing agency like Sykes or Hoseasons, that's fine. It doesn't preclude you from joining membership with us. We give you the freedom to generate your own commission free bookings to supplement those from your agency **OR** the flexibility not to have online availability and booking on our websites at all; your web entry can simply refer visitors to your agency.

The choice is yours.

Features of your entry: www.showmewales.co.uk | www.visitmidwales.co.uk

- Central and secure management via Guestlink
- Full description (translated into 22 different languages)
- Up to 20 images
